## CatholicHigherEd

### The ACE Framework

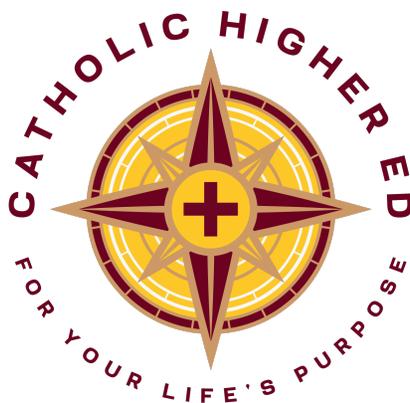

The ACE Framework was developed through years of scholarly research. Drawing on the best available evaluative measures of Catholic identity, combined with the writings of Vatican II and Pope St. John Paul II's *Ex Corde Ecclesiae*, the ACE Framework allows for individuals to assess the strength of an institution's Catholic identity.

### Designed to Help

CatholicHigherEd assists students, parents, colleges, and universities identify those unique characteristics that serve as visible guideposts for an authentic Catholic higher education experience.
